

# SEMESTER 2. 2009 Tin Sheds Art Workshops, Faculty of Architecture Design and Planning. T. 93513115.E. tinsheds@arch.usyd.edu.au

Semester 2 commences Monday 27 July 09. To secure your place in the class, you must attend the first 2 classes otherwise other students will be able to take your place in Weeks 1 and 2. We apologise for this ruling but find that many students do not de-enrol themselves even though they do not intend to take the class. Students from **other Faculties** must register with the artworkshop before enrolling with Student Services in their own Faculty or the International Office.

Please note: If you have NOT got into a class, go to the first week. There are usually spaces as some enrolled students do not turn up. If the tutor says that there is a space for you, they will tell you how to formally enrol. (Last updated 17 September 2008)
